Ride the Pattern Clinic

New this year is a Ride the Pattern Clinic with Krista Freeman, our General Performance judge for the weekend. This will be held on Friday, August 7, beginning at 3:00 p.m. Riders will be split into groups according to their patterns and have the opportunity to get feedback on their showmanship, equitation, and horsemanship patterns for the weekend. Whether you are new to showing or a seasoned competitor, this is a great opportunity to learn from an industry professional and brush up on your pattern skills! Show attire and turnout not required, but please present yourself and your horse in a professional manner for a clinic setting.

Evening Social Hours

One of the best parts of horse showing is the friends you make along the way! The beer gardens (located on the northwest corner of the outdoor arena) will be open and the music will be playing Friday and Saturday evenings starting at 7:00 p.m. for come-and-go visiting. Food trucks will be there until 9:00 p.m. Everyone is welcome, minors included. We hope to see you there!

Bit Rules for Divisions Noted With an Asterisk *

- Any age of horse may be ridden in any legal bit for the class they are in, but a rider must use two hands if using a snaffle or bosal, and one hand if using a shank bit.
- All other tack and equipment rules are the same as for regular age division classes.
- If you are cross-entering between Novice and any other classes, regular bit rules according to the horse's age will apply in all classes not listed as Novice.

Please note that some divisions are new, and we want to ensure there is a fair, appropriate division for all horses and riders. We are relying on the honour system for competitors to choose the best divisions for themselves and their horses.
