

## **Dunmore Equestrian COVID Rental Conditions**

According to Stage 2 of the provincial relaunch Dunmore Equestrian is able to reopen its facility for use and rental to the public. However the “Guidance for Rodeos” and the Stage 2 relaunch guidance issued by the Chief Medical Officer in Alberta certain restrictions are in place.

Dunmore Equestrian has put in place policies and procedures to meet all of the restrictions in both cited documents. There are however several restrictions that renters of the facility must comply with in order to meet the Provincial requirements.

The following guidelines must be followed in order to rent the Dunmore Equestrian facility for any reason. These items are in addition to the regular rental agreement requirements and are non-negotiable. Any renter found to be not following these guidelines will be asked to shut down their event and exit the facility.

### **Dunmore Equestrian COVID Guidelines:**

- All persons entering the facility must be free of any symptoms of COVID-19 including cough, fever, shortness of breath, runny nose or sore throat that are not related to a pre-existing illness or health condition.
- Please use contactless payment and avoid cash payments where possible.
- The maximum number of spectators is 100, provided physical distancing of two metres can be maintained. It is up to the renter to keep track of spectators and ensure the 100 person limit is not surpassed.
- Consider physical distancing measures for participants, and animal carers etc. such as modifying time requirements for reporting to staging and preparation areas.
  - Schedule events with enough time in between to allow the previous group to vacate shared spaces, such as paddocks, and for staff/volunteers to clean and disinfect high-touch surfaces before the next group arrives. O
  - Limit the number of people in shared-use participant areas to only those necessary for safety and animal welfare.
  - Consider limiting the number of participants to enable distancing, if needed.
  - Advise participants of the schedule in advance to reduce waiting.
  - Have participants register and pay in advance, wherever possible.
  - Encourage participants to bring their own supplies and handle their own equipment to reduce sharing of high-touch objects. Where sharing is required, clean and disinfect equipment between users.
- Renters will be responsible for regular cleaning and disinfecting of high touch surfaces such as gates and equipment during their event. Spray bottles with disinfectant will be

provided for your use. **Anytime a piece of equipment is shared between users it must be disinfected.**

- All staff, volunteers and competitors are required to self-monitor for symptoms of COVID-19 up to and including the use of the AHS Self-Assessment tool found at <https://myhealth.alberta.ca/Journey/COVID-19/Pages/Assessment.aspx?>
- Staff, volunteers and vendors may wear non-medical masks. Masks should be worn where 2 metres distancing cannot be maintained and there is no physical barrier.
